Deferred Enrollment

Accepted applicants may ask the College of Business for the option of deferring enrollment for up to two consecutive semesters. Each case is considered on an individual basis. Those who are granted deferred enrollment are subject to rules, regulations, and financial charges in effect when they actually enroll. Students who enroll at another institution before enrolling at the College of Business must reapply for admission.

In cases involving military deployment, mobilization, or change in duty assignment, accepted applicants may request to extend the enrollment deferral for longer than two consecutive semesters. Any such requests will be considered on an individual basis. A copy of the person's military

orders must be provided to the Office of Admissions to support such a request.

Readmission to the MBA Program

Students who have not attended the University for three consecutive semesters, excluding summer session, must apply for readmission through the Office of Admissions. Students who are readmitted are subject to the degree requirements in effect at the time of readmission. When a student is readmitted, the six-year limit from time of first admission is still in effect. Academic work that was completed more than six years before the date at which the MBA is awarded may not be used to satisfy the degree requirements. If a student needs additional time to complete the degree, the student must apply in writing to the Associate Dean for Faculty for an extension. Such requests must be received at least one month prior to the end of the student's original six-year time limit.

A student who has been suspended from the program may apply for readmission after a lapse of three semesters. Applicants for readmission must meet current minimum admission requirements. Readmission to the program is not guaranteed.

MBA Degree Requirements

Successful completion of all required core course and elective courses with a cumulative grade-point average of 3.0 or higher is required to meet degree requirements. All required course work must be completed within six years of matriculation into the program.
