

AUDITING A COURSE

A degree-seeking student may audit a class (sit in for no credit) by completing the Auditor's Registration Form in the Office of the Registrar the day after the end of the Add Period. Auditing is permitted, by written permission of the instructor, in non-restricted courses in which space is available. Non-degree students may also audit a course, provided that the instructor approves, space is available in the class, and the course is non-restricted. Full-time students who audit a course that cause their semester load to exceed 18 credits must pay the audit fee. Students are not allowed to retake a course for credit once the course has been audited. Additional details regarding the audit policy and registration procedures for auditors (<https://academics.umw.edu/registrar/registration-instructions-for-nondegree-students-and-auditors/>) are provided by the Office of the Registrar.
