Department of Modern Languages and Literatures (<https://cas.umw.edu/modernlanguages/>)

The Business French minor is an interdisciplinary program of study that combines courses in French language and culture with selected courses in Business and/or Economics. The Business French minor provides the student with a basic understanding of business and economics as well as the ability to communicate about them in French in a professional context. Students also include a three-credit internship as part of their minor programs. Approved French courses from study abroad programs may also be included among the electives of the French minor.
