

BUSINESS GERMAN

Department of Modern Languages and Literatures (<https://cas.umw.edu/modernlanguages/>)

The Business German minor is an interdisciplinary program of study that combines courses in German language and culture with selected courses in business and/or economics. The Business German minor provides the student with a basic understanding of business and economics as well as the ability to communicate about them in German in a professional context. Students also include a three-credit internship as part of their minor programs. Approved German courses from study abroad programs may also be included among the electives of the Business German minor.

Minor Requirements

Code	Title	Credits
